

**April 21, 2021**  
**SEER\*Educate Announcements**  
**Two Announcements of Equal Importance**

**SEER Workshop Participants**  
**Please Complete Workshop**  
**Histology Exercises by May**  
**16<sup>th</sup> (or even sooner)**

As Workshop Participants complete 20 to 25 cases, we will send you a survey link about the coding experience. Responses to the survey are anonymous. The responses will be used to provide feedback to standard setters regarding the format and usability of the coding guidelines.

Users will receive 2.5 Category A CEs and benefit from testing your knowledge of how to use the Solid Tumor Rules for Diagnosis Year 2021 on melanoma cases.

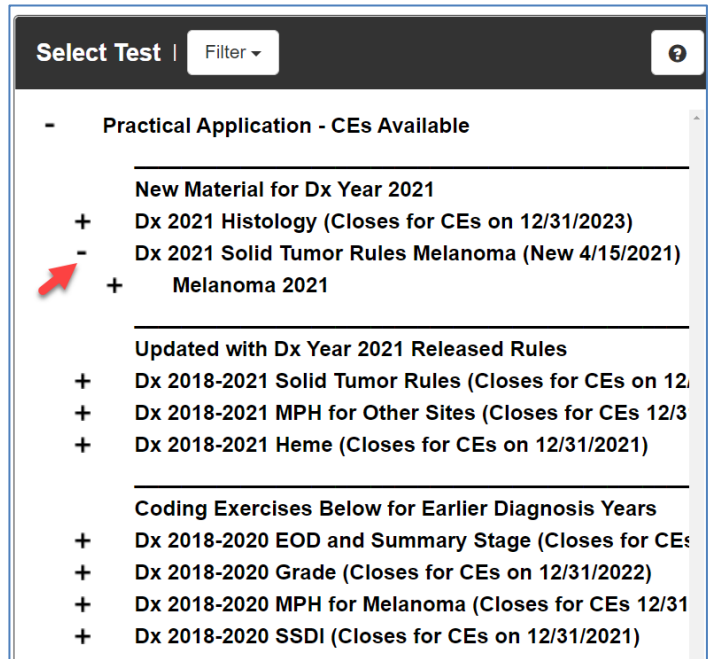

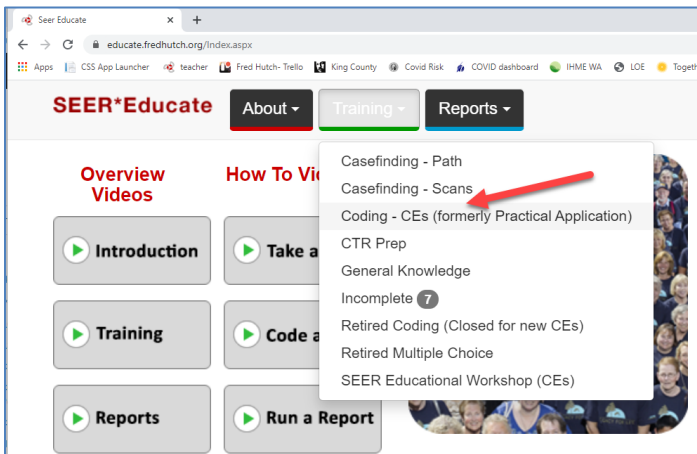

**Which Road to the New 2021**  
**Exercises on Solid Tumor Rules**  
**for Melanoma**

# New 2021 Exercises on Solid Tumor Rules for Melanoma

NCRA Title – Meets Category A requirement	NCRA #	CEs	Start Date	End Date
<b>SEER*Educate – Solid Tumor Rules 2021 – Melanoma (5 cases)</b>	2021-042	2.5	04/01/2021	12/31/2024

**Quick reference on how to access the new Melanoma exercises and CE report**

The exercises are set up with a scenario, coding form and detailed rationales.

SEER Advanced Topics for Registry Professionals

## Virtual and FREE

Tuesday and Wednesday, June 1-2, 2021

Registration for the **FREE** SEER Workshop is done through [NCRA's registration process](#). If you encounter issues with the registration, contact Nancy Allen at [NAllen@ncra-usa.org](mailto:NAllen@ncra-usa.org).

The SEER workshop will cover these topics:

- Dx 2021 Heme and Solid Tumor Histology (SEER\*Educate exercises involved)
- New data items
- COVID-19 and cancer
- Advanced pathology concepts

**Deadline to register for live meeting is May 14, 2021 at 11:59 pm EDT. Registration is free.**

**Workshop Participants  
Please Complete Workshop Histology Exercises  
by May 16<sup>th</sup> or Sooner**

If you have questions about accessing the exercises or printing the CE listing, please [Contact Us](#).

*Things changed . . . did you get training?*

## Quick reference on how to access the Workshop exercises and CE report

The image shows two parts of the SEER\*Educate interface. On the left, the 'Training' menu is open, listing various training options. A red arrow points to 'SEER Educational Workshop (CEs)'. On the right, the 'Select Test' dropdown is open, showing a list of tests under the 'Educational Workshop' category. The 'Dx 2021 Heme Histology' test is expanded, showing a list of Heme 01 through Heme 09. Below this, 'Dx 2021 Solid Tumor Histology' is also visible.

The image shows the 'CE Reports - Current Years' section of the SEER\*Educate interface. It contains a list of CE reports, each with a plus sign icon. The report '+ 2021 SEER Workshop - Dx 2021 Histology CE Hours Earned' is circled in red.

NCRA Title - Meets Category A requirement	NCRA #	CEs	Start Date	End Date
