

Job Title: BIostatistician 2
Posting Close Date: N/A
Location: CARSON CITY, NEVADA, US, 89706
Requisition Id: 4930
Department: DEPARTMENT OF HEALTH AND HUMAN SERVICES
Division: DHHS - HEALTH AND HUMAN SERVICES DIRECTOR'S OFFICE
Business Unit: DATA ANALYTICS
Work Type: PERMANENT
Salary Range: \$51,281.28 - \$76,170.24
Fulltime/Parttime: Full Time

Position Description

Positions allocated to this series perform complex mathematical and statistical analysis on public health databases by applying statistical theories and principles to determine cause and effect relationships. Incumbents possess a degree of knowledge and proficiency sufficient to perform work independently with little or no additional training.

This position is one of three biostatistician vacancies with the Office of Analytics. This position will work primarily with the Nevada Central Cancer Registry (NCCR) analyzing cancer data in a fast-paced work environment. This position is responsible for providing routine and special reports, participating special studies with both internal and external groups, updating the Nevada Cancer Dashboard, and utilizing SAS and/or analytic software programming and statistical methods to complete analyses on cancer data, filling data request, participating in yearly Call for Data activities as prescribed by NPCR/CDC guidance.

Minimum Qualifications

Bachelor's degree from an accredited college or university in statistics, mathematics or closely related field and one year of professional experience conducting statistical analysis including gathering and analyzing data from various sources using computer software; OR one year of experience as a Biostatistician I in Nevada State service; OR an equivalent combination of education and experience as described above.

The Examination

Application Evaluation Exam

The exam will consist of an application and resume evaluation. It is essential that applications/resumes include detailed information with time frames regarding education and experience. The most qualified applicants will be contacted by the hiring agency for interview. The hiring agency may require specific skills related testing as part of the interviewing process.

Special Requirements

- A pre-employment criminal history check and fingerprinting are required. Persons offered employment in this position will be required to pay for these items.
- A State of Nevada/FBI background check will be required of the selected applicant.
- A valid driver's license or evidence of equivalent mobility at the time of appointment and for continuing employment.

This recruitment may close at any time based on the number of applications received. Qualified applicants are encouraged to apply as soon as possible.
